

Iowa Board of Respiratory Care and Polysomnography

Public Notice - Proposed Licensure Fee Adjustment

Iowa Code section 147.80 requires each licensing board to set its fees at a level which will be sufficient to cover its ongoing expenditures. Annual board expenditures include items such as administrative staff time, licensing staff time, board member per diem and travel expenses, board regulatory activities including investigations, administrative hearings and legal counsel, as well as items of general support including IT equipment and software, office supplies and office rent/ utilities. The Board of Respiratory Care and Polysomnography is not currently meeting the statutory requirement to bring in sufficient revenue to cover ongoing expenses.

The Iowa Board of Respiratory Care and Polysomnography took action at a meeting on February 16, 2016, to provide early notice to its stakeholders of the Board's proposal to set fees for the new polysomnography technologist license, the new dual respiratory care and polysomnographic practitioner license and raise the initial licensure and renewal fees for the respiratory care license, intended to be effective as of January 1, 2017, as follows:

Fee Type	Current Fee	New Proposed Fee
Initial License and Renewal - Respiratory Care Practitioner	\$120	\$75
Initial License and Renewal - Dual Respiratory Care and Polysomnography Practitioner	None. New profession.	\$90
Initial License and Renewal - Polysomnography Technologist	None. New profession.	\$330
Late Fee (all license types)	\$60	\$60
Reactivation - Respiratory Care Practitioner	\$120	\$135
Reactivation - Dual Respiratory Care and Polysomnography Practitioner	None. New profession.	\$150
Reactivation - Polysomnography Technologist	None. New profession.	\$390

Comments about the proposed fee adjustment can be directed to the Respiratory Care and Polysomnography Board Executive, Tony Alden at tony.alden@idph.iowa.gov.
